BUFFALO SEMINARY SUMMER@SEM WELLNESS POLICY

This form must be completed and returned prior to your child attending camp.

Camper's Name _____ Date _____

Please review Buffalo Seminary's Summer@SEM wellness policy below and sign that you have read and agree to abide by it. If your child is not well, please call us to let us know. Some illnesses need to be reported to other families and the NYS Department of Health. If you or anyone in your household is under quarantine for COVID-19 your child must be excluded from camp. A wellness screening and temperature check will be conducted before a camper or counselor enters the building.

WELLNESS POLICY

We need every family's cooperation to provide a healthy environment for all the campers. Below are guidelines for you to follow when your child is ill. If your child's health is questionable, please keep them home.

If your child shows any of the following signs of illness, they **MUST** stay home:

FEVER: a child with a temperature at or above 100 degrees may not return to camp until they have fever-free for a full 72 hours without fever-reducing medication (i.e. fever on Monday, fever-free Tuesday-Thursday, may return to camp)

VOMITING and/or **DIARRHEA:** a child may not return to camp until they have been free of these symptoms for a full 24-hour period without medicine.

Suspicious **SKIN RASHES** or **LESIONS**

NASAL CONGESTION: thick, yellow/green discharge, interferes with breathing, not related to allergies

COUGH: persistent, dry, "croupy" or "barking"

IRRITABILITY

LISTLESS, no energy

POOR APPETITE associated with other signs

Complaining of a **SORE THROAT** or **EARACHE**

WHAT TO EXPECT IF YOUR CHILD BECOMES ILL WHILE ENROLLED AT CAMP

- If your child has a fever of 100, they **MUST** be kept at home until fever-free for a full 72 hours without medicine.
- If your child **VOMITS** or has **DIARRHEA**, they must be kept at home for a full 24 hours without symptoms or medicine.
- **SKIN RASHES** or **LESIONS** will require a doctor's note to return and must comply with Health Department recommendations.
- Allergy symptoms must be confirmed by a doctor.
- When you are called during the day because your child has become ill, arrangements must be made for your child to be picked up within 30 minutes.
- When your child returns to camp after an illness, the counselor will do a wellness screening and temperature check. If it appears that your child is not ready for a full day of camp, you will be asked to take your child home. The same policy applies to a child who appears to be getting ill. Your cooperation will enable us to keep illness at a minimum.

It is the parents'/guardians' responsibility to notify the Camp Director if their child has been exposed to any contagious illness including, but not limited to, coronavirus, chickenpox, strep throat, coxackie, lice, impetigo, and flu. This policy has been instituted to benefit our entire camp community.

I have read and agree to abide by the Buffalo Seminary Summer@SEM's wellness policy.
